Research:

Bible: Joshua 24:15

Application:

X. A Happy Family will admit and seek help with problems.

Research:

Bible: 1 Corinthians 1:10

Application:

Conclusion

How many of these characteristics does your family have? Your family can stay together with less, but the quality will suffer. Why not go for all ten? If your family is strong in a certain area, why not thank God for that blessing? If your family is weak in a certain area, why not ask God to help you work on it?
